

Negotiating the curves of paying fuel taxes?

*(You're paying MORE than
you should!)*

NECS[®]

America's EXPERT in fuel taxes

1-800-348-3242

www.necsfueltaxes.com

Fuel Taxes and how they impact your business:

Federal, state, and local fuel taxes make up a significant part of your fuel expense.

Unfortunately, fuel taxes are a cost of doing business.

Lack of expert knowledge about fuel taxes can effect your bottom line.....

as much as 65¢ a gallon!

Are you paying MORE than your fair share?

What does the future hold?

More fuel taxes

More fuel tax legislation

More court cases, appeals and interpretations

NECS[®] is the *expert* in:

- 1) **Interpreting** - Tax Law
Code Changes
- 2) **Monitoring** - Administrative Rulings
Court Cases
Private Letter Rulings
Appeals
- 3) **Filing** - Proofs
Permits
Certifications
Applications

NECS has the expertise and track record to rapidly cut through bureaucratic confusion!

Let **NECS**[®]
drive you
in the direction of
higher
PROFITS!

NECS[®] can quickly determine whether your business qualifies for a fuel tax recovery.

- NECS experts review your fuel purchase and consumption records to identify possible recoveries.
- As necessary, our trained analysts will conduct:

Fuel Consumption Analyses
Time and Motion Studies
Equipment Reviews
Engineering Studies

- NECS prepares and submits all the necessary paperwork. *(All the applications, certifications, and documentation needed to recover fuel taxes.)*

Profit from our professional services.

Call and see what NECS can do for you and your bottom line!
